- Safely using aids and personal equipment in a manner that respects the dignity of customers. For example walking frames, wheelchairs, manual and electric hoists, sliding sheets and moving boards, hearing aids and other physical aids
- Housework such as dusting, tidying, washing floors, vacuuming and sweeping, doing the laundry and ironing, making beds and changing the linen

- Social and physical activities or mental stimulation such as keeping in touch with friends/relatives, taking a customer out shopping or to social activities, hobbies such as reading, photo albums, games, etc.
- Supporting a customer through temporary and terminal illness, including end of life care, hospital appointments, liaising with community health support and families

Record and report

- The care and support that you provide and assistance with medicines
- Changes to a customer's condition or other concerns e.g. faulty equipment or hazards in the home
- Response to emergencies, accidents, incidents and safeguarding matters
- Contact with families, representatives or carers and other professionals
- Other matters as required by Bluebird Care procedures
- Keep all information about customers and their families secure and confidential except where policy requires you to share, to protect the interests of our customers

- Follow Bluebird Care policies, procedures and guidance at all times
